

**Information for APCoAB (Asia Pacific Consortium on Agricultural Biotechnology)**

Contact Person/s : (Administration)  
(Scientist/s)

Mailing Address :

Telephone :

Fax :

e-Mail :

Industrial Association :

Field of Research : Plant Tissue Culture  Microbiology   
Plant Molecular Biology  Bioinformatics   
Genetic/Transformation  Biofertilizer   
Biopesticides   
Any other (specify)

Important Projects being worked upon :

Major Crops :

Important Traits :

Areas in which capacity building/  
training is required :

*Kindly make more copies of the questionnaire to ensure information about all scientists is provided.*
